BOHNACKER

ABOUT US

As a steadily growing family business operating throughout Europe, we offer our employees the best prospects, exciting tasks and new challenges every day. We are professionals for store and room concepts and we put many creative ideas into practice. We develop and realize design-oriented, flexible store concepts, always with the aim of drawing the greatest attention to the product and brand. Almost 40 years of experience means a maximum performance in every project phase, from design and development to the realization of complete object and store fittings, target group-oriented shop-in-shop systems and product displays. In the course of our further expansion we are looking for a full-time employee as soon as possible:

JOB ADVERTISEMENT

PROJECT MANAGER (M/F/D)

TASKS

- Working closely with our retail designers, sales department and our customers, you will be responsible for the complete development, execution and management of store and object interior fit-outs, shop-in shop and display projects
- As a project manager you are responsible for the detailed technical development of customer-specific shop-fitting/object construction elements
- Within the scope of project management you are independently responsible for the detailed planning and implementation as well as the project handover and up until final invoicing
- Project-related budget planning and a consistent organization and coordination from timelines of complex projects are part of your daily business
- You are responsible for national and international customer and supplier communication

YOUR PROFILE

- Successfully completed training in the field of woodworking, metalworking or similar with qualified further training, ideally a degree or graduate engineer.
- Several years of professional experience in the field of store fitting/interior architect/furniture construction/ retail or similar
- Competence and good knowledge with MS Office tools
- Experience in the use of 2D/3D CAD systems desirable
- High level of organizational talent to coordinate our projects professionally and dynamically convincing competence in dealing with customers and sub-contractors
- Solution-oriented, enthusiastic, outgoing, team player, high level of commitment and flexibility
- Excellent German language skills and excellent Business English in written and spoken form (ideally bilingual)
- High willingness to travel internationally

YOUR PERSPECTIVES

We offer specialists the best perspectives, exciting tasks and new challenges. As a future-oriented company, we are always searching for enthusiastic employees with fresh ideas, who can support us with their experience. Would you like to set impulses? Do you have a head full of ideas? Then join our team! We are looking forward to your application. Please send us your complete application documents, including your salary expectations and your earliest possible starting date to:
